

New to representing children? Interested in Interdisciplinary representation of children through a trauma-informed lens? If so, join us FREE OF CHARGE at:

Legal Services for Children's Training Institute on Holistic Representation

Attendees will learn about two important legal areas affecting many children in California and best practices for effective holistic representation. Participants will earn MCLE credit; 5 hours of Juvenile MCLE, including 1 hour of Ethics.

Presentations will cover...

Immigration

- The Immigration court system for children
- Common forms of immigration relief
- Unaccompanied children & our local dependency system
- Dependency & delinquency attorneys addressing their client's immigration needs

Education

- School Discipline; including the rights of foster youth in expulsion proceedings

Boundaries & Crisis Intervention

- Creating supportive, professional relationships with vulnerable children clients.
- Self-care & vicarious trauma

Trauma-Responsive Lawyering & Child Development

- How trauma impacts children
- Practice tips for minimizing trauma's impact
- Interviewing techniques
- Cultural Competency
